BÜFA®-ISO-GELCOAT 3000

Gelcoat

Gelcoat with the best Weathering Results
BÜFA®-ISO-GELCOAT 3000

The BÜFA product portfolio includes a number of gelcoats for the most different application areas. As Europe’s leading supplier of gelcoats, BÜFA continuously invests in the further development of its line of products. BÜFA®-ISO-Gelcoat 3000 can be used for a wide spectrum of applications in which brilliant shades of colour and high UV resistance are required – and that with a good price/performance ratio!

**RESULTS OF WEATHERING ACCORDING TO EN ISO 4892.2:**
